Patient Advocate

The Patient Advocate will meet with patients and seek to provide relational, emotional, and spiritual support. They will assist the Nurse in evaluating each patient's overall situation and provide care that helps to problem solve through circumstances that are challenging. In summary, this position must prioritize authentic compassion, demonstrate strong interpersonal skills, and wisely navigate a patient through positive alternatives regarding an unplanned pregnancy. This part-time position will function in a social/case work capacity from the Warner Robins office.

Main Patient Advocate Responsibilities:

- Guide patients through a problem solving method and assist them in evaluating and strengthening their situations
- Serve patients in a medical setting through non-medical care (emotional support, spiritual support, social support, decision support)
- Build rapport with patients as you lead them through the process
- Contribute to the administrative portion of the medical chart through our Electronic Medical Record system
- Assist in follow-up care
- Provide administrative and operational support for medical leadership

Qualifications:

- Agreement with our Statement of Faith and Commitment of Care and Competence
- Desire to work within a Christian ministry setting
- Passion for this work and a "whatever it takes" attitude to see it advance
- Experience in social work or case management
- A "team-mindset" to contribute to and benefit from working together in order to fulfill the mission
- Strong interpersonal skills (highly effective in working with people in a caring, gentle and motivational manner)
- Strong servant leadership skills
- Ability to take initiative, be proactive, and problem solve quickly
- Ability to organize, prioritize, and manage multiple tasks in a collaborative setting
- Able to work independently and with light supervision
