

Staff Nurse Job Description:

The Staff Nurse will work under the Medical Director, Nurse Practitioner and Director of Medical Services to maintain excellent and compassionate medical care. This is a part-time position serving on Wednesdays from 9:00am – 5:00pm in our Warner Robins location and on Fridays from 9:00am-1:00pm in our Macon location.

Staff Nurse Job Responsibilities:

- Maintain current nursing licensure in the state of Georgia and Healthcare Provider CPR certification.
- Operate in compliance of all policy and procedures.
- Perform designated nursing duties for the services provided.
- Create and communicate a customized plan of care for each patient.
- Address patient medical inquiries as appropriate, including applicable referrals.
- Become proficient in offering limited obstetrical ultrasound under the supervision of our RDMS.
